Farshid Maleki

May 25 - Jun 11, 2018

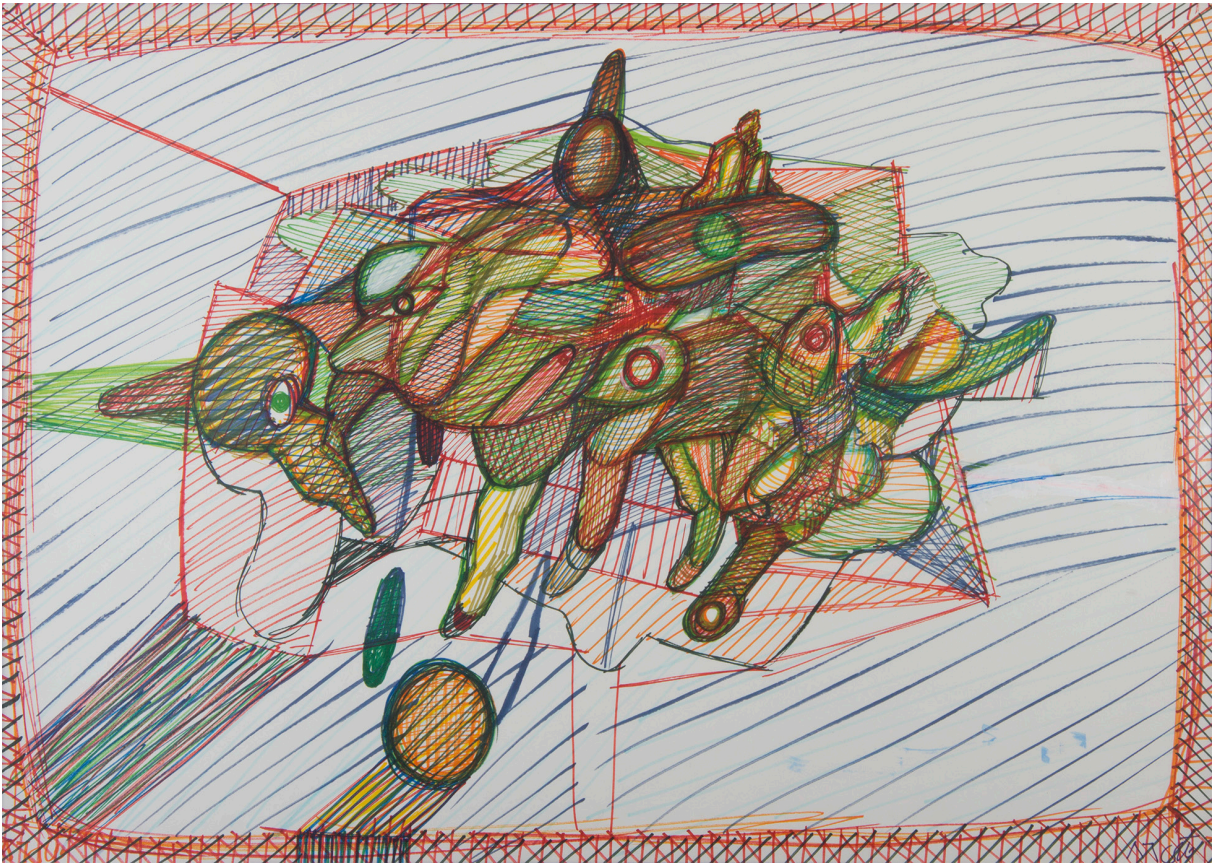

This exhibition includes paintings of Farshid Maleki initially exhibited under the title "Suspension" at Azad art gallery back in 2011. Available works are here on the show again for those enthusiasts who did not find the chance to visit the exhibition at the time. In 2016, in an exhibition named "Texture-Totem", Emkan presented early works of Maleki painted between 1971 and 1973, firstly exhibited in Ghandriz hall during those years. Also alongside his book launch, we held an exhibition of his drawings in 2017. It is worth mentioning that most of Maleki's works have also been presented at Azad and Hoor galleries during the past years.
