

# **Problem with Light**

Amirsaman Ebrahimi

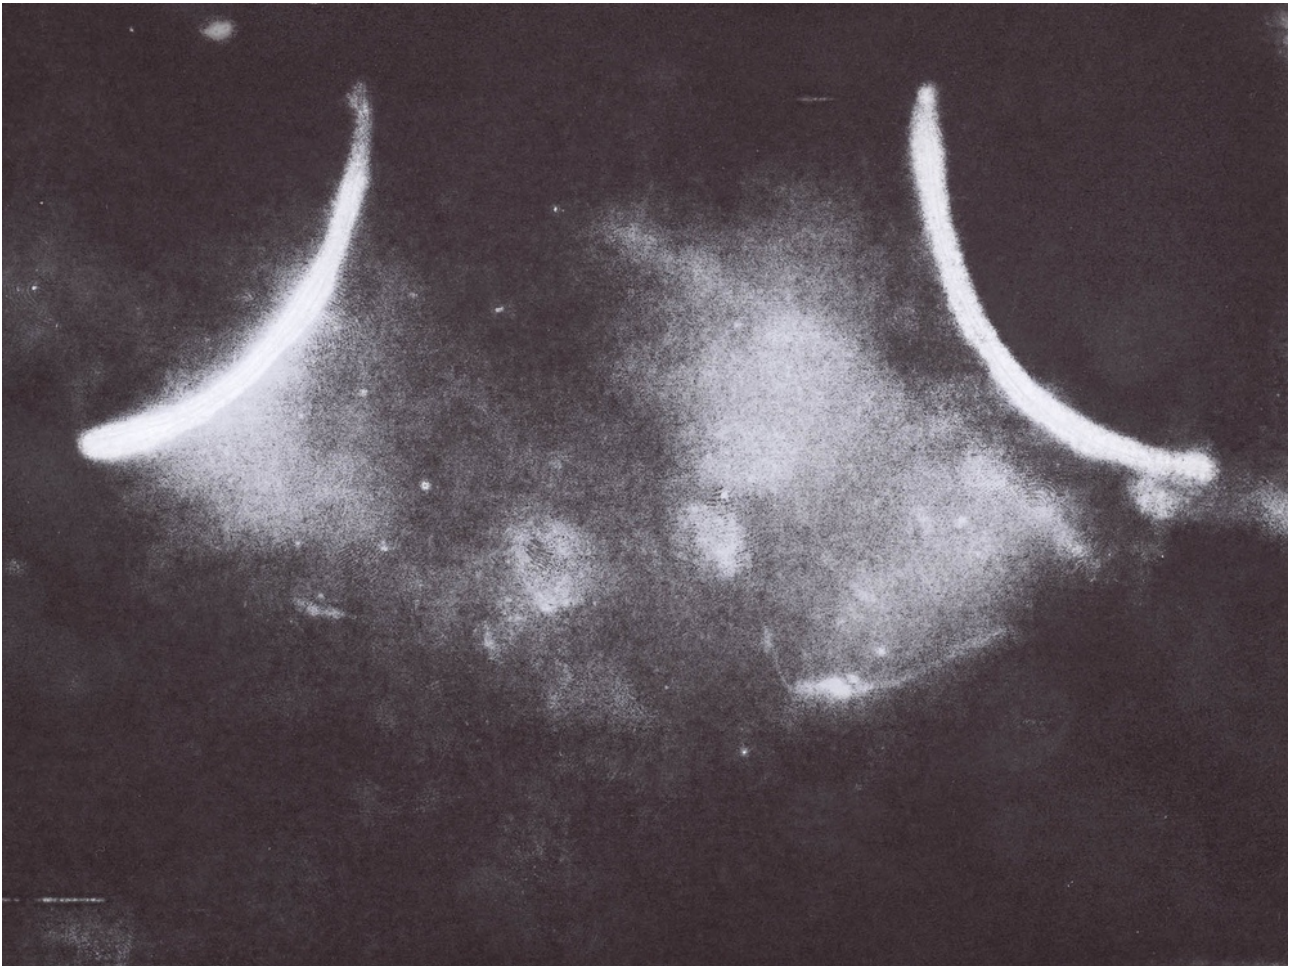

Jul 29 - Aug 12, 2022

Artworks presented in this exhibition are the result of the artist's experiences with thermal paper. Because of the disappearing nature of thermal paper in time, the works were then digitally printed. This show is the first solo exhibition of the artist, Amirsaman Ebrahimi.

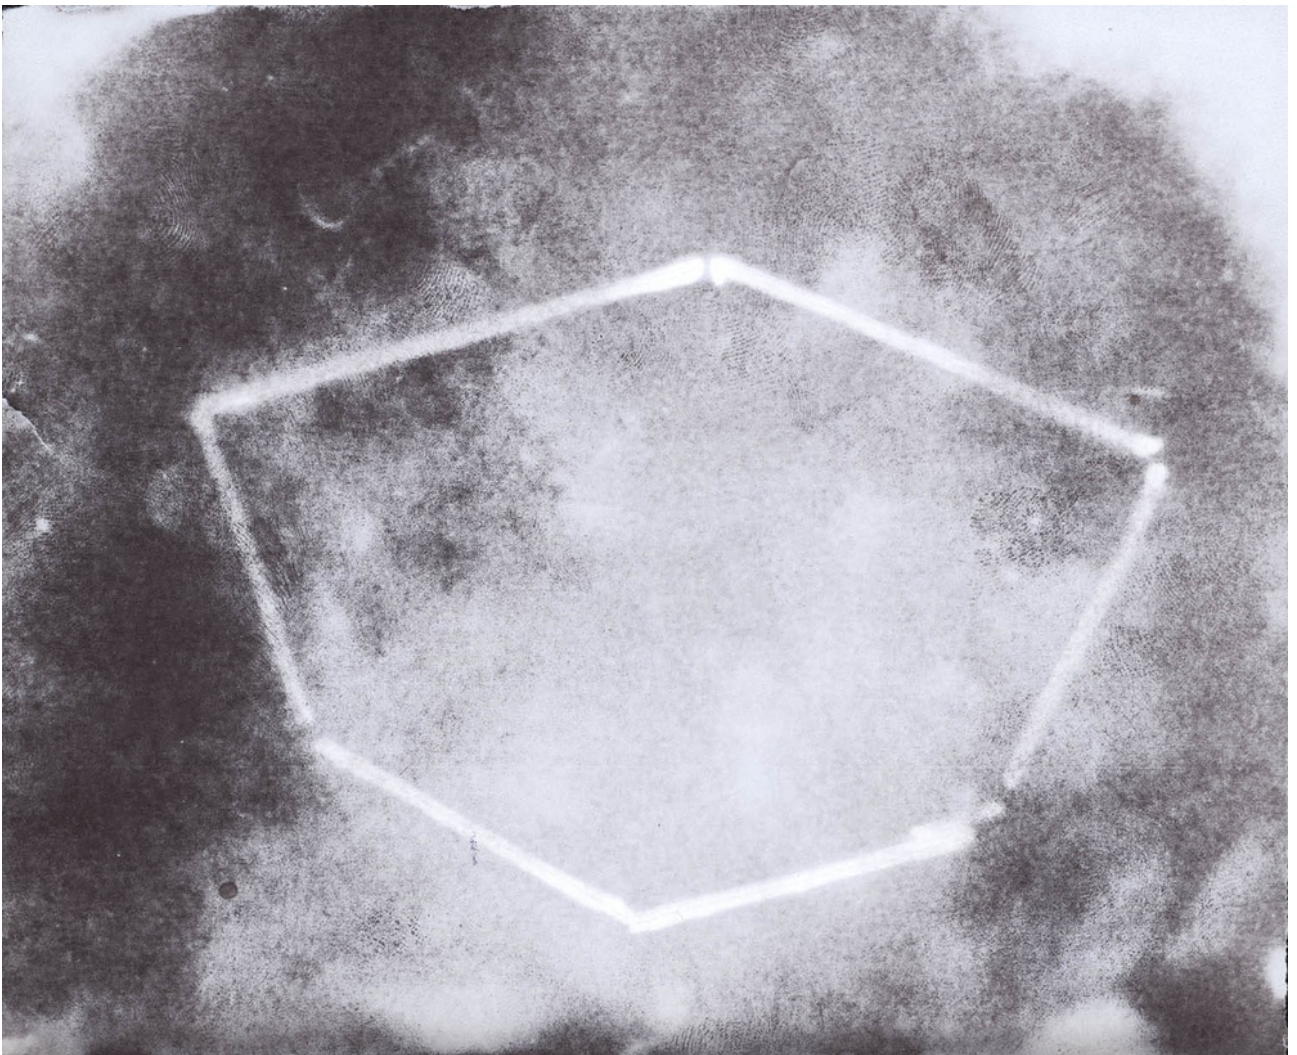

Nima Pourkarimi, who previously collaborated with Emkan in the "Black square" show, made a piece based on these works. "Problem with light" is an installation of sound and works by Amirsaman Ebrahimi.
